### ACTION TAKEN REPORT-2023-2024

#### (BASED ON CURRICULUM FEEDBACK COLLECTED IN 2022-23)

Our college conducted feedback on curriculum as per NAAC directions from various stakeholders, viz students, teachers, parents, alums, and employers in 2022-2023. The main objective of this exercise was to ascertain the views of the stakeholders on the structure, content and efficacy of the curriculum in programs such as B. Com, B. Sc, BMS, B.Sc. (Computer Science), B. Com. (Accountancy and Finance-BAF), and M. Com. Data was collected from all stakeholders in a structured questionnaire, which was analyzed. The analyses and a brief report were forwarded to the Registrar, University of Mumbai, to initiate suitable action.

1. Some of the stakeholders' observations and expectations were introducing an application-oriented part in the syllabus, internships, the need for collaborations and industry orientation in the syllabi, career-oriented activities, and other enrichment programs to enhance the student's confidence levels.
2. As our college is affiliated with the University of Mumbai, we lack the freedom to design or restructure the syllabus at the college level. However, during its implementation, our faculty conducted several innovative experiments to enhance the quality of curriculum delivery. These activities were planned based on observations and expectations expressed by the stakeholders in feedback forms.
3. **Some of the major activities undertaken in 2023-2024** for curriculum enrichment may be categorized under different heads as follows:
  - a. **Teachers have prepared e-content in various forms (e.g., videos, PPTs, PDFs, etc.) as per the syllabus, which they share with students from time to time.**

OPP. BHANDUP RAILWAY STATION, VEER SAVARKAR MARG, BHANDUP (EAST), MUMBAI - 400 042.

- b. **Add on/ certificate courses** – To add a practical part to the curriculum, in addition to theoretical content in the syllabus, add-on, certificate & value-added courses were offered to our students to upgrade their soft and hard skills in employment, ICT and health. Courses such as the Financial Planning Careers Program, Digital Marketing Foundation Program, Tally ERP 9, Synergy Advance Excel Course, and Bridge course in Mathematics helped our students in skill acquisition and enhancement and Comprehensive Soft Skill Development.
- c. **Skill-based Certificate Courses**—Our Centre of Gandhian Studies and Action has started 10 skill-based certificate courses for second-year students. Some of the courses are Bakery and Confectionery, Beautician Course Advanced, Ceramic Making, Personality Development, and Business Communication Advanced.
- d. **Guest Lectures**—Various departments organised guest lectures as a complementary feat. Some of the topics covered were Environment conservation, Disaster management, Career Guidance, Gender Sensitization, and Entrepreneurship.
- e. **Group Discussions, Quiz Competitions, Workshops & Seminars** – Several workshops on curriculum-related areas were organised. Trends & career prospects in Human Resource Management in India, workshop on how to increase memory, Explaining the Career Path, Online Quiz Competitions, Documentary Screening, Group Discussions, and many more topics were covered in these sessions. Smart Mirror and PowerPoint presentations through the TAPPS method were other topics covered in these seminars with active participation by students.
- f. **Career Guidance—Seminars / Webinars on career opportunities were organised to help students** choose their career path. A few placement initiatives were also taken.
- g. **Tests**- Faculties in different Departments, in addition to regular teaching, also took

the task of conducting surprise tests, class tests, intensive & remedial teaching, solution of university question papers, sharing question banks, etc., for preparing our students well for the examinations.

- h. Extension activities**—Through the extension activities of NSS and DLLE, the spirit of sharing and caring is inculcated in the participating students. Notable drives are Poster exhibitions on Save Water, Cleanliness Drives, Blood Donation Camps, and many such community-oriented activities, which certainly broaden the student's experiences.
