

The notebook cover features a repeating pattern of stylized flowers. Each flower has five petals, with the outer edges of the petals being serrated. The petals are filled with a light green color and have a darker green outline. The center of each flower is a golden-brown color with a small circular detail. The flowers are arranged in a grid-like pattern, with smaller, simpler floral motifs interspersed between them. The background is white. There are some blue ink scribbles on the cover, particularly around the central text area. The notebook is bound on the left side, and there are green corners on the right side.

The vice-principal opined that it is imperative that at least for some time safety of both students and staff should be the main concern. On-line mode of teaching will have to be resorted to according to him.

Dr. K. K. Simlota showed concern regarding the various activities of NAAC

like writing up different criteria, collecting data for the same, refining the answers and so on.

It was decided by the principal that all the activities connected with NAAC should be looked into by the vice-principal, Dr. Sachin Shastri & Dr. Deepali Moghe. Necessary meetings and follow up actions would be decided by the trio.

Dr. Sachin Shastri volunteered to conduct an on-line session on how to conduct classes on-line for the benefit of teaching staff.
